norra@bluewin.ch

WHO AM I ?

I've been creating since childhood first drawing, then painting, and now tattooing as a way to translate the world around me. I draw inspiration from travel, landscapes, nature, and architecture, weaving these into a style where structure collides with spontaneity. Whether on canvas, paper, or skin, my art is raw, emotional, and alive, crafted to leave a lasting mark, not just to be seen but to be felt.
